Director of Cwmbran-based Comparison Creator crowned innovation director of the year

Steve Jones, the CEO of Comparison Creator, the comparison software development company, based in Llantarnam Park, was named as the Innovation Director of the Year at the Wales Institute of Directors Awards this week.

Launched in 2010, Comparison Creator provides a white-label breakdown comparison service for GoCompare, Moneysupermarket, Confused.com and Comparethemarket.com. It also provides home emergency comparisons for GoCompare and last year launched the UK's only gadget insurance comparison website, Protect Your Gadget.

Speaking about winning the IOD award, Steve Jones said: "It has been a busy two years for Comparison Creator – we have launched Protect Your Gadget and worked with the UK's biggest comparison sites on new white label services. We have also been busy creating other brands that are due to launch very soon, so winning this award really is the icing on the cake for me and my team.

"In particular, winning the Innovation Award is a fantastic accolade for us, especially as we have so many great companies developing some amazing tech and business changing applications in Wales. I am honoured to have won the award for the Comparison Creator team."

Comparison Creator CEO Steve Jones founded the company after working in the insurance and comparison industry for more than 25 years. He developed the Gladiator Commercial brand for Admiral insurance and became its managing director, before leaving in 2003.
